(See "Conditions and Restrictions", over)

General Conditions and Restrictions

1. Applications must be complete and submitted on form approved by the Huron County Road Commission. (HCRC)
2. Permits will be issued only for vehicles owned by the applicant or operated under a bona fide lease agreement.
3. Move to be made with a minimum of interference to traffic, and at no time will the highway be closed to other traffic.
4. If on account of the move of said vehicle or load, any highway sign, structure or railing is required to be moved, the same will be removed and replaced by Huron County Road Commission personnel only. A \$2500.00 cash bond will be required of the applicant prior to authorizing the move.
5. The vehicle will not be loaded or unloaded within the outer shoulder limits of any county highway or roadway.
6. The operator in charge of moving the equipment must have the permit in his possession during the progress of the movement. Permit must be shown upon demand, to any law enforcement officer or employee of the HCRC.
7. Highways traveled must be followed in sequence as listed on the permit.
8. The permit, if issued, in no way supersedes posted or restricted axle loading limits for any road or bridge.
9. Permits **are not** valid during spring weight restrictions.
10. Applicant will be responsible for damages to the highway, to persons or to property, caused by or arising out of the movement involved, and indemnify and save the County harmless from suits, claims, and damage of every kind or nature arising from use of the highways involved herein. Applicant shall immediately report to the HCRC any damage caused to or along the highway.
11. Misrepresentation of information set forth in the application for the permit or noncompliance with the provisions on which the permit is issued, shall immediately void the permit and subject the parties involved to appropriate legal action.
12. No permits will be issued for Saturday after 12:00 noon, Sunday, holidays, or for any period of darkness, nighttime hours, or any restricted visibility conditions.
13. In the event of vehicles or loads cannot be moved on the date specified on the permit, an extension may be granted, if application is made to the permit office. A new application and permit will be required if the load is not moved within 10 days from the date shown on the permit.
14. Loads shall be arranged to effect the minimum width, height, and length.
15. A permit is void whenever road, weather or traffic conditions make travel unsafe.
16. Insurance coverages must be in force and in effect on each vehicle operating on the public highways under this permit, and current certificates of insurance must be furnished with the following limits:
 - a. **Bodily Injury Liability** Each Person \$1,000,000
 - b. **Bodily Injury Liability** Each Accident \$1,000,000
 - c. **Property Damage Liability** Each Accident \$1,000,000
 - d. **Worker Compensation** Statutory Limits
17. On specific movements, the HCRC may require a bond and/or more insurance coverage than set forth in Paragraph No.16.
18. If the equipment is to be moved on any roadway not under the jurisdiction of the HCRC, permission must be obtained from the appropriate authorities.
19. All weights and dimensions listed in the application for permit are to be actual weights and dimensions of the described loaded vehicle(s).
20. Permits will not be issued for oversize or overweight vehicles or loads which can be normally dismantled, reduced or otherwise rearranged to come within the legal limits.

Allowable Loadings Table

- 1) **Annual** “Blanket”
 - ≤ 150,000 lbs. Gross Vehicle Weight (GVW)
 - ≤ 24,000 lbs. Per loaded axle
 - ≤ 700 lbs. Per inch of tire width
 - ≤ 14 feet of overall width
 - ≤ 11 axles
- 2) **Annual** “Route Specific” or **Single Move** “Route Specific”
 - > 150,000 lbs. Gross Vehicle Weight (GVW)*
 - ≤ 24,000 lbs. Per loaded axle +
 - ≤ 700 lbs. Per inch of tire width +
 - > 14 feet of overall width

+ Exception*

The limitation of 24,000 pounds on any axle does not apply to empty self-propelled scrapers, rubber tired loaders, rubber tired dozers, or 2 axle mobile cranes. These vehicles are restricted to a wheel load not to exceed 850 lbs. per inch of tire tread width and a maximum speed of 35 M.P.H.

***\$200.00 Fee per bridge on route • Approximately 10 days review time • Approval not guaranteed**
